Jelly

At the Zoo

LITTLE READERS

Mia goes to the zoo.
Dad has a map.

They see the giraffes.
One eats green leaves.

Mia sees a long neck.
Dad points to its tongue.

They go to the penguins.
The pool looks empty.

Mia sees a splash.
A penguin swims by.

More penguins jump in.
Mia watches them swim.

The map shows a tiger.
Mia walks with Dad.

They look through the glass.
They see trees and grass.

Mia looks for the tiger.
She cannot see it.

Dad points to some stripes.
The tiger is by a rock.

Mia sees the tiger now.
It walks by the glass.

Its stripes look like shadows.
Mia looks at it closely.

The tiger rests by a rock.
Mia stays very quiet.

It lies down again.

They walk away.

Mia draws three animals.
She draws their homes too.

The map helped Mia.
She looked closely too.
