The Missing Shoe

LITTLE READERS

Leo has one blue shoe on.
He needs his other shoe.

He looks by the sofa.
The shoe is not there.

Dad waits with a bag.
Leo looks near the sofa.

He finds boots and sandals.
His blue shoe is gone.

Leo looks under the rug.
No shoe is there.

Dad asks about his game.
Leo thinks of his truck.

His truck carried many things.
Could it have his shoe?

Leo runs to his toys.
His truck is by the wall.

The truck is empty.
Leo looks at the floor.

Leo looks behind the sofa.
He bends down to see.

His shoe is by a bear.
Leo pulls it out.

Dad looks inside the shoe.
Some blocks are in it.

Leo tips the blocks out.
He puts his shoe on.

Both shoes are on now.
Leo stands up with Dad.

Leo puts the blocks away.
His truck can carry toys.

Now they can go out.
Leo has both shoes on.
