The Puppy Next Door

LITTLE READERS

A puppy lives next door.
Kim watches from her garden.

It has a blue collar.
It stays by its owner.

Kim asks to say hello.
The owner opens the gate.

Kim walks to the puppy.
It takes a step back.

Kim stops on the path.
She lets the puppy wait.

The owner asks Kim to sit.
Kim sits down on the path.

The puppy looks at Kim.
Kim waits by the fence.

A leaf blows by.
The puppy sniffs it.

The puppy comes closer.
Kim sits very still.

It sniffs her shoe.
Its tail starts to wag.

The owner says it is safe.
Kim holds her hand out.

The puppy sniffs her hand.
It wags its little tail.

Kim pats its side.
It moves a bit closer.

The owner brings a ball.
Kim rolls it on the grass.

The puppy runs after it.
It brings the ball back.

Kim has a new friend.
